

FAMILY/STRUCTURAL CONSTELLATION WORKSHOP

With Maria Dolenc

“Despite our greatest efforts some of us find ourselves struggling to live our lives fully or relate well within their families.”

Maria Dolenc will be facilitating this workshop and providing you with her own unique style and passion for this work.

Maria is a qualified Gestalt Therapist, accredited PACFA supervisor. She worked at South Pacific Private for 14 years as a Family Therapist, Clinical Supervisor and was also co-director at Gestalt Therapy Sydney. Maria also facilitates Family Constellations at Byron Private Treatment Centre for the last 6 years.

Maria has studied Family Constellation work with leaders locally and overseas. She has been conducting Family Constellations Workshops and Facilitators training in Australia and Internationally for over ten years.

Workshop participants will have the opportunity to explore how ancestral and historical forces influence their own family and personal experience. Through the lens of Systemic Constellation, we may see deeper patterns in ways that allow new pathways of connections, healing and resolution.
