

FACILITATED BY MARIA DOLENC

Family Constellation Workshop

Systemic/Family/Structural Constellation Training
27th, 28th, 29th October 2023

"The Ship", Calliope Scout Group, King Edward Parade, Devonport, Auckland

Despite our greatest efforts some of us find ourselves struggling to live fully or relate well within our families.

People can experience powerful forces that thwart them in their lives and feel entangled within the dynamics of their family.

Entanglements in family dynamics can result in relationship difficulties:

• partners • parents and children • siblings

They can also contribute to:

• addictions • illnesses • negative repetitive patterns in our lives
