

Constellations & Beyond

FIVE DAYS RETREAT FOR PEOPLE WITH PRIOR CONSTELLATION EXPERIENCE

11TH - 15TH OF MARCH 2026

CANYONLEIGH RETREAT, SOUTHERN HIGHLANDS

Discover that deep part of yourself that needs no healing, that has never been damaged or traumatised. Connect with your inner Space/Essence and find peace.

We will explore our entanglement with our ancestors and honour them, allowing us to step into our lives with a deeper awareness of what is truly ours to carry.

Embrace intuitive practices, create space for whatever arises, and let your soul process naturally, without expectations or attachment to the outcome.

Maria and Tanmaya bring depth, lightness, and playfulness to this transformative training.
